

# UASI CLIENT NEWSLETTER

Solutions for Coding, CDI, HIM, Revenue Integrity, & Strategic Consulting

## WHY UASI

### Our Coding Team:

Our high-quality, collaborative coding services team hits accuracy, quality, and productivity goals for clients. UASI's coding leaders average eight years of coding experience and 22 years of management experience and hold AHIMA and AAPC credentials and certifications.

Every year UASI codes 3.75 million records and reviews 200,000 records and our accuracy averages between 96-98%.
